

# Danielle Wirsansky

Alarm of the People

---

**Danielle Wirsansky** is a playwright and photographer. She currently works as a photographer for Cady Studios and does freelance photography as well. She initially became interested in photography when shooting photos for/about/inspired by her plays. Danielle was a founding member and Artistic Director of White Mouse Productions, a theatre company for social change. Her plays and musicals have been produced at festivals around the USA and internationally. Her writing and photography has been featured in several anthologies and literary magazines, including *Sad Girl Review* and *26 Angels*. To learn more about her work, visit [www.DanielleWirsansky.com](http://www.DanielleWirsansky.com).
